
NOTICE TO AUTHORS

Before preparing manuscripts for submission to **CANCER RESEARCH**, authors are urged by the Editor to consult the detailed **INSTRUCTIONS TO AUTHORS** which are given in the January 1970 issue of the Journal. Copies of these instructions are available from the Editorial Office upon request.

THE FIRST THING TO SAVE FOR YOUR OLD AGE IS
YOU!

Sure, it's a good idea to save for those golden years. But you want to be around to enjoy them! That's why we urge you to put first things first. Form the life-saving habit. Have an annual health checkup once a year, every year. That way, your doctor can detect cancer in its early and more curable stage. 1,200,000 Americans, alive today, are cured of cancer...because they went to their doctors *in time*.

Start *your* new saving plan now, with a phone call to your doctor!
