SYMPOSIUM
SPONSORED BY THE AMERICAN CANCER SOCIETY

Role of Hormones in the Origin and Control of Abnormal and Neoplastic Growth

Program arranged by the
SCIENTIFIC REVIEW COMMITTEE OF THE
AMERICAN CANCER SOCIETY

Held at the
WESTCHESTER COUNTRY CLUB, RYE, N.Y.
DECEMBER 13–14, 1956

PROGRAM

HARRY M. WEAVER. Foreword .................................................. 422
ROY HERTZ. An Appraisal of the Concepts of Endocrine Influence on the Etiology,
Pathogenesis, and Control of Abnormal and Neoplastic Growth .......................... 423
ARTHUR KIRSCHBAUM. The Role of Hormones in Cancer: Laboratory Animals .......... 432
JACOB FURTH. Discussion of Problems Related to Hormonal Factors in Initiating
and Maintaining Tumor Growth ................................................. 434
PAUL E. STEINER. Discussion: Hormones in Carcinogenesis ............................. 464
F. DURAN-REYNALS. Comments on Hormones, Neoplasia, and Virus Infection ........ 465
CHARLES HUGGINS. Control of Cancers of Man by Endocrinologic Methods .......... 467
OLOF H. PEARSON. Discussion of Dr. Huggins' Paper "Control of Cancers of Man
by Endocrinological Methods" .................................................. 473
PAUL E. STEINER. Discussion: Hormones in the Growth of Cancer ...................... 480
W. U. GARDNER. Summary of Informal Discussion of First Day .......................... 481
GERALD C. MUELLER. A Discussion of the Mechanism of Action of Steroid Hor-
mones .................................................................................. 490
CLAUDE A. VILLEE. Effects of Estrogens and Anti-Estrogens in Vitro ..................... 507
O. HECHTER. Reflections about Hormone Action and Implications for the Cancer
Problem .............................................................................. 512
T. F. GALLAGHER. On Alterations in Adrenal Function, Especially with Adreno-
cortical Carcinoma ................................................................. 520
LEO T. SAMUELS. Discussion of Dr. Gallagher's Paper ...................................... 530
RALPH I. DORFMAN. Comments on the Metabolism of Steroid Hormones .......... 535
A. LACASSAGNE. Thoughts on the Scientific Review Committee Meeting in Rye,
New York, December 13 and 14, 1956 ........................................ 537
GUY F. MARRIAN. Summary of Informal Discussions of Second Day ................... 539
Comment on Dr. Marrian's Report .................................................. 545
