

## INSTRUCTIONS FOR AUTHORS

Reports on observations in laboratory, clinical, or statistical cancer research and critical reviews, must be original and submitted exclusively to *CANCER RESEARCH*. Submit double-spaced typed original and 1 copy, complete with figures and charts, in English only, on 8½ x 11 inch paper.

**Title and byline:** Brief but informative. Author's name and institution on separate page; acknowledgments on another separate page.

**Summary:** Informative, 250 words or less, on separate page.

**Text:** Follow style and arrangement of recent issues. Type footnotes, numbered alphabetically, on a separate page. Follow *Webster's International Dictionary* in matters of spelling, punctuation and hyphenation. Follow *Chemical Abstracts* for chemical terms.

**Tables:** Should be numbered, typed on separate sheets, and arranged vertically. Title should be descriptive, all columns should have headings, abbreviations explained in footnotes to table, units of measure should be clear. Same data should not be repeated in charts.

**Charts:** Graphs, line-cut illustrations are printed in the text, numbered consecutively. They should be planned to be reducible, usually to a one-column width (3½ in.); lettering must be 2 mm (⅓ inch) or higher after reduction. Original line drawings in black India ink are preferred; glossy prints are acceptable, if sharp and black. Type legend for each chart on separate page.

**Figures:** Illustrations, photomicrographs, photographs are printed as plates at end of

article. They must be clear and relevant; color plates are accepted only if essential and are paid for by author. Glossy, correctly trimmed photographs are mounted on white cardboard, 8½ x 11 in. the area for figures not to exceed 7¼ x 9½ inches. Number each figure on plate. Legend for each figure is typed on separate pages, in consecutive order. Figures will be considered only if essential for the data.

**References:** Type double-spaced, numbered in alphabetical order of first author, giving author, title, journal, volume, inclusive pages, and year. For book references, give author, title, pages, edition number, city, publisher and year. Check all references. Follow *Chemical Abstracts* for abbreviations of journals. Unpublished data and personal communications are listed in parentheses in text, not in references.

**Changes in proof:** Any but minor changes from the manuscript made in proof will be billed to the author.

**Reprints:** Should be ordered before publication, according to a schedule of prices accompanying the galley proof of the article.

**Manuscripts and correspondence** related to contributions should be addressed to: Dr. Michael B. Shimkin, Editor, Cancer Research, Fels Research Institute, Temple University School of Medicine, Philadelphia, Pennsylvania 19140.

**Subscriptions and business inquiries** should be addressed to the publishers, The Williams & Wilkins Co., 428 E. Preston St., Baltimore, Maryland, U.S.A., 21202.

## On time...anywhere in the world

When research is in progress, time is vital. That's why NBCo counts the minutes when shipping biochemicals for research . . . to Bangkok or Paris or Stockholm . . . or anywhere in the world.

NBCo fully understands the urgent need for speedy delivery. Understands the need for flawless accuracy in handling. Above all, understands the absolute need for uncompromising quality and purity in each of more than 3,000 biochemicals immediately available from NBCo.

In response to all these needs, NBCo delivers. Everywhere.

**Nutritional Biochemicals Corp. guarantees shipment within 60 minutes of your call, one day delivery anywhere in the continental U.S.A. Phone collect, 216-662-0212. (U.S.A. only)**

Send for your free copy of our new catalogue containing more than 3,000 items.
