AMERICAN ASSOCIATION FOR CANCER RESEARCH

INFORMATION ON APPLICATION FOR ACTIVE AND CORRESPONDING MEMBERSHIP

BENEFITS OF MEMBERSHIP

The American Association for Cancer Research (AACC) is a scientific society consisting of laboratory and clinical cancer researchers. It was founded in 1907 "to bring together active investigators of the cancer problem for presentation and discussion of new or significant observations; and to foster research in cancer and other phenomena of growth." Members of the AACC enjoy the following benefits:

1. subscriptions to the journals Cancer Research and Cell Growth & Differentiation at the reduced member rate;
2. the privilege of sponsoring an abstract for presentation at the AACR annual meeting;
3. an advance copy of the Program and Proceedings pertaining to each annual meeting;
4. a reduced registration rate at all scientific meetings;
5. early notification of events in the AACR's series of special conferences;
6. subscriptions to any future AACR journals at reduced member rates;
7. reduced rates for the AACR Employment Register;
8. the benefit of AACR's public education activities;
9. the receipt of AACR newsletters, meeting announcements, and an up-to-date membership directory.

QUALIFICATIONS FOR MEMBERSHIP

Active membership in the AACR is open to investigators who live in the Americas, and who have conducted two years of meritorious research that has resulted in publications relevant to cancer. If a candidate is working in a research area not directly related to the cancer field but has conducted research of exceptional scientific merit, he or she may also qualify for membership.

Corresponding membership is open to qualified persons who are not residents of the Americas. The requirements for corresponding membership are the same as those for active membership. Visiting scientists from outside the Americas who intend to return to their countries of origin soon after submitting their applications should apply for corresponding membership. All other individuals should apply for active membership and transfer to corresponding status at a later date if they should leave the Americas.

PROCEDURES FOR APPLICATION

There are three deadlines for receipt of a membership application: March 1, July 1, and October 1 of each year. The Membership Committee will review all complete applications for active membership that have been received by these deadlines and will submit recommendations on each candidate to the Board of Directors which formally elects all members. The same procedure is followed by the Special Memberships Committee which receives applications for corresponding membership. Candidates will be notified according to the following schedule:

<table>
<thead>
<tr>
<th>Receipt of Application</th>
<th>Notification of Candidate</th>
</tr>
</thead>
<tbody>
<tr>
<td>March 1</td>
<td>May</td>
</tr>
<tr>
<td>July 1</td>
<td>September</td>
</tr>
<tr>
<td>October 1</td>
<td>December</td>
</tr>
</tbody>
</table>

A complete application consists of the following material:

1. 6 copies of the form on the opposite side of this page, with all requested information provided.

2. 5 copies of the candidate's most current curriculum vitae and bibliography.

3. 5 copies of a letter of recommendation from a nominator who is an active, emeritus, or honorary member of the AACR (at least one copy must be a signed, original letter). This letter should describe the candidate's achievements in laboratory research, clinical investigations, or epidemiological research, and it should affirm that this research adheres to accepted ethical standards.—OR—The nominator may supply the responses requested at the bottom of the application form in the section entitled "STATEMENT OF SUPPORT" (at least one copy of the form must be the signed original).

4. 5 copies of a letter of recommendation as described in Item 3. above from a seconder who is an active, emeritus, or honorary member of the AACR (at least one copy must be a signed, original letter).—OR—The seconder may supply the responses requested at the bottom of the application form in the section entitled "STATEMENT OF SUPPORT" (at least one copy of the form must be the signed original).

5. 5 reprints of each of two publications on which the candidate appears as author.

All material should be collated into five complete sets with the original application form as a covering document and sent to the address given below. Questions regarding procedures for membership application may also be directed to the following address:

American Association for Cancer Research
Public Ledger Building
Suite 816
6th & Chestnut Streets
Philadelphia, PA 19106
215/440-9300

RESPONSIBILITIES OF MEMBERSHIP

Candidates should be aware of the following responsibilities of membership in the AACR. Active members must pay annual dues, a major portion of which is designated for a subscription to at least one of the AACR's publications. Newly elected members of the AACR who have already purchased subscriptions to Cancer Research or Cell Growth & Differentiation at the higher, nonmember rate will receive reimbursement of the unused portion of those subscriptions once their first year's membership dues are paid in full.

All corresponding members elected after May 23, 1985, are required to pay an annual assessment in lieu of dues. This assessment, which is equivalent to that portion of the regular dues that pertains to support of activities other than publications, is imposed to defray the cost of sending AACR publications to members outside the Americas. Corresponding members may, if they wish, subscribe to Cancer Research or Cell Growth & Differentiation at the reduced member rate.

Applicants elected in May will be responsible for payment of that year's dues; applicants elected in September and December will pay dues in the following year. Applicants elected in May and September will be eligible to sponsor an abstract for the next annual meeting. Every effort will be made to afford the same opportunity to applicants elected in December.

Margaret Foti
Executive Director
AMERICAN ASSOCIATION FOR CANCER RESEARCH, INC.
Public Ledger Building
Suite 816
6th & Chestnut Streets
Philadelphia, PA 19106

STATEMENT OF SUPPORT (in place of letters of recommendation)

Instead of submitting letters of recommendation, either the nominator or the seconder or both may complete the following section:

How long has the candidate worked in the field of cancer research? ____ years

Will the candidate make a long-term contribution to cancer research? ____ Yes ____ No

Does the candidate’s research adhere to accepted ethical standards? ____ Yes ____ No

I therefore recommend this candidate for membership in the American Association for Cancer Research.

GUIDELINES FOR APPLICATION FOR ASSOCIATE MEMBERSHIP

QUALIFICATIONS FOR MEMBERSHIP

Associate membership is open to graduate students, medical students, postdoctoral fellows, and physicians in training who live in the Americas and who are following a course of study or who are working in a research program relevant to cancer.

BENEFITS OF MEMBERSHIP

The American Association for Cancer Research (AACR), a scientific society consisting of laboratory and clinical cancer researchers, was founded in 1907 “to bring together active investigators of the cancer problem for presentation and discussion of new or significant observations; and to foster research in cancer and other phenomena of growth.” Associate members of the AACR enjoy the following benefits:

1. the privilege of sponsoring an abstract for presentation at the AACR annual meeting provided that (a) the associate member is the presenter of the abstract and (b) an active member in good standing of the AACR also signs the abstract in support of the work (In this instance, the active member who co-signs the abstract does not lose his or her own sponsorship privilege);  
2. an advance copy of the Program and (if one has been purchased by the associate member) the Proceedings of the American Association for Cancer Research which contains abstracts of all papers being presented at each annual meeting;  
3. the privilege of registering for the annual meeting at the low student rate (This rate is otherwise available only to postdoctoral students.);  
4. preferred access to the AACR Employment Register;  
5. an optional subscription to the journal Cancer Research at the reduced member rate;  
6. subscriptions to any future AACR journals at reduced member rates;  
7. early notification of events in the AACR’s new series of small scientific meetings on timely scientific topics;  
8. the receipt of AACR newsletters, meeting announcements, and an up-to-date membership directory; and  
9. the facilitation of informal scientific exchange with leading researchers in the cancer field.

PROCEDURES FOR APPLICATION

Persons wishing to apply for associate membership must use the official application form on the reverse side of these instructions. Each candidate for associate membership must be nominated by an active member in good standing of the AACR. Three completed copies of the form should be submitted; at least one of these copies must carry the original signatures of both the candidate and the active member nominator. The application form may be submitted to the Association Office at any time. After review of applications for associate membership, the Executive Director will notify candidates of their election or deferral within one month of the receipt of the application form. A check in the amount of $20, which represents one year’s dues payment, must accompany the application. This fee will be refunded to any candidate deemed to be ineligible for associate membership. Checks should be in U.S. currency, made payable to AACR, Inc., and drawn on a U.S. bank. Send the three copies of the application form and the $20 dues payment to:

American Association for Cancer Research  
Public Ledger Building  
Suite 816  
6th & Chestnut Streets  
Philadelphia, PA 19106  
215/440-9300

RESPONSIBILITIES OF MEMBERSHIP

Associate members must pay annual dues in an amount to be determined by the AACR Board of Directors. Dues for 1989 have been set at $20 per year. If an application is submitted by August 31, the accompanying dues payment will be credited to the current year. Candidates submitting applications between September 1 and December 31 may indicate whether they wish their dues payments credited to the current or forthcoming year. Candidates should be aware, however, that associate members may sponsor an abstract for the annual meeting only if their dues for the current year are paid. For example, an associate member submitting an abstract in December 1989 for the forthcoming annual meeting must have paid dues for 1989. Any newly elected associate members of AACR who have already purchased subscriptions to Cancer Research at the higher, nonmember rate will receive a refund for the unused portion of that subscription upon receipt of their payment for a member’s subscription.

Each Fall the AACR will send to current associate members an invoice for dues for the forthcoming year. Payment of this invoice must be accompanied by a statement signed by the associate member’s registrar, dean, or department head, verifying the member’s current academic status. The Association’s By-Laws state that dues are payable for each year in advance on or before January 1 of that year. An individual may be an associate member for a maximum of five years. Each year in which an individual pays dues will count as one full year of associate membership. Thus, an associate member who pays dues for 1989 may retain associate membership until December 31, 1993. The board of Directors may terminate the membership of any associate member whose dues are in arrears for two years.

(Please type or print name of AACR active member in good standing.)

SIGNATURES
I hereby apply for associate membership in the American Association for Cancer Research. I have read the instructions on the reverse side of this form, and I understand the privileges and responsibilities of this class of membership. I certify that the statements on this application are true.

Signature of Candidate: ____________________________ Date: ____________________________

I recommend this candidate for associate membership in the American Association for Cancer Research. To the best of my knowledge, the candidate is qualified for this class of membership, and the statements on this application are true.

Signature of Nominator: ____________________________ Date: ____________________________

Submit three copies of this form. At least one copy must contain the original signatures of the candidate and the nominator. Enclose a check for $20 in U.S. funds made payable to AACR, Inc. and drawn on a U.S. bank. Check one of the following boxes only if this form is being submitted between September 1 and December 31:

□ current □ forthcoming calendar year.

(NOTE: If dues are applied to the forthcoming year, membership will take effect on January 1.) See Guidelines for Application on the reverse side of this form for further instructions.

☐ Check this box if you have a physical disability and special requirements for transportation, hotel accommodations, or other facilities connected with the meeting. A member of the Association Staff will contact you.

WHAT IS YOUR PRIMARY FIELD OF RESEARCH (Please check only one):
☐ 1Biochemistry and Biophysics ☐ 2Biostatistics ☐ 3Carcinogenesis ☐ 4Cellular Biology & Genetics ☐ 5Clinical Investigations
☐ 6Endocrinology ☐ 7Epidemiology ☐ 8Immunology ☐ 9Molecular Biology ☐ 10Preclinical Pharmacology & Experimental Therapeutics
☐ 11Virology ☐ 12Other (please specify):

ARE YOU THE PRESENTER OF AN ABSTRACT SUBMITTED FOR THE 1990 AACR MEETING? ☐ Yes ☐ No

ON WHICH DAYS WILL YOU ATTEND THE 1990 AACR ANNUAL MEETING?
☐ Wednesday, May 23 ☐ Thursday, May 24 ☐ Friday, May 25 ☐ Saturday, May 26

WILL YOU ATTEND THE ASCO MEETING IN WASHINGTON? ☐ YES ☐ No

ON WHICH DAYS WILL YOU ATTEND THE 1990 ASCO ANNUAL MEETING?
☐ Sunday, May 20 ☐ Monday, May 21 ☐ Tuesday, May 22

PAYMENT OF REGISTRATION
Fees may be paid by check or with a MasterCard, VISA, American Express, or Eurocard account. All payments must be made in U.S. currency, and all checks must be drawn on a U.S. bank. Payment must accompany this form; purchase orders will not be accepted as payment. Honorary and emeritus members may register gratis.

FEES
☐ Active/Corresponding Member Rate $ 65
☐ Honorary Emeritus Member Rate $ 0
☐ Nonmember Rate $125
☐ (includes a copy of AACR Proceedings)
☐ Associate Member/Student Rate* $ 35
☐ (does not include a copy of AACR Proceedings)
☐ AACR Proceedings† $ 25
☐ Overseas Airmail Surcharge‡ $ 22
☐ Total Enclosed or Charged

METHOD OF PAYMENT
☐ Check payable to AACR, Inc., in U.S. currency, drawn on a U.S. bank
☐ Person/Institution issuing check
☐ Check No.
☐ MasterCard ☐ VISA ☐ American Express ☐ Eurocard

☐ Account Number and Expiration Date
☐ Signature

THE DEADLINE FOR REGISTRATION BY MAIL IS MARCH 30, 1990

*Students must enclose a statement, signed by the registrar, dean, or department head of their university or college on official letterhead, confirming their status. Special student rates are available only to predoctoral students. Postdoctoral fellows or physicians in training do not qualify for the student registration rate unless they are associate members of the AACR.

An application for associate membership may accompany this form, but these should be submitted well before the advance registration deadline as review of the associate membership application may delay registration.

#AACR members with paid-up subscriptions to Cancer Research receive the Proceedings automatically. Members who check this box and pay the $25 fee will receive an additional copy of the Proceedings.

Optional payment for registrants outside of the U.S. and Canada only. Registrants paying this surcharge will receive meeting publications via air mail — printed matter before the annual meeting.

Mail all advance registration forms with applicable fees to Annual Meeting Registration, American Association for Cancer Research, Inc., Public Ledger Building, Suite 816, 6th & Chestnut Streets, Philadelphia, PA 19106. Receipts will be sent to you in April. AACR members in good standing will receive copies of the Program and Proceedings prior to the meeting. Nonmember and student advance registrants residing in the U.S. and Canada will also receive the Program before the meeting and if they have purchased it the Proceedings. Please note that nonmember registrants receive a copy of the Proceedings automatically, but if students are to receive a copy of this document before the meeting, it must be purchased at the time of advance registration.

REFUND POLICY
Refunds on registration fees will be granted on written request received in the AACR Office by May 18, 1990. Requests received after this date will not be honored. Receipts and badges (if they have been mailed) must be returned to the AACR Office with the refund request. A cancellation fee of $25 will be deducted from all refunds to cover administrative costs. Proceedings are not returnable, and an additional $25 will be deducted from refunds to nonmembers and students if this document has already been mailed.

R. Hazan, B. Margolis, M. Dombalogian, A. Ullrich, A. Zilberstein, and J. Schlessinger

C127 Cells Resistant to Transformation by Tyrosine Protein Kinase Oncogenes
A. Cuadrado, N. Talbot, and M. Barbacid

Developmental Expression of the Xenopus laevis fos Protooncogene
M. S. Kindy and I. M. Verma

NGF-induced Differentiation of Human Neuroblastoma and Neuroepithelioma Cell Lines
J. Chen, G. Venkatakrishnan, B. Chattopadhyay, and A. H. Ross

Regulation of the Multidrug Resistance Gene in Regenerating Rat Liver
P. A. Marino, I. Pastan, and M. M. Gottesman

Transforming Growth Factor-beta 1 in Liver Carcinogenesis: Messenger RNA Expression and Growth Effects
L. Braun, R. Mikumo, P. Gruppuso, and N. Fausto

Research Capsules

Transcriptional Activators in Hepatocytes
P. F. Johnson

Chromosome Translocations in Human Cancer
J. R. Tista

A DISTINGUISHED EDITORIAL BOARD

George F. Vande Woude, Ph.D.
Editor-in-Chief

Mariano Barbacid, Ph.D.
Webster K. Cavenee, Ph.D.
Suzanne Cory, Ph.D.
Tom Curran, Ph.D.
Raymond L. Erikson, Ph.D.

Nancy A. Jenkins, Ph.D.
Frank McCormick, Ph.D.
Harold L. Moses, M.D.
Yasutomi Nishizuka, M.D., Ph.D.
Gordon G. Peters, Ph.D.
Joseph Schlessinger, Ph.D.

CALL FOR PAPERS

• Rapid peer review
• Publication within 10 weeks of acceptance

Mail manuscripts to Editorial Board member of your choice. For further details about manuscript submission, contact

THE ULTIMATE TIME CAPSULE.

Only 17 mm long and 6 mm in diameter, the Model 1007D is the first implantable pump small enough for mice, but with a long enough duration to make it ideal for use in neuroscience, cancer and immunology research. The 1007D delivers a broad range of agents, such as peptides, cytokines, growth factors and inorganic salts, at 0.5 µl/hr for an entire week—eliminating fluctuations in plasma levels and the need for frequent animal handling.

It takes only minutes to fill and implant the 1007D, and operation is completely automatic. A simple catheter attachment can be used to target delivery to specific sites. And each 1007D pump comes with ALZa's unparalleled technical support, literature updates, presentation materials and customized bibliography searches.

To date, more than 4,000 studies have shown that ALZET pumps reliably deliver biological agents without disrupting normal animal growth, feeding or reproductive behavior.

Put time on your side. Make the 1007D micro-osmotic pump the cornerstone of your next research program. For complete information on all ALZET pumps, call 800-692-2990. From Canada call 800-654-2990.
