Erratum

An error has been found in the article by Zhang *et al.*, entitled "Induction by Bufalin of Differentiation of Human Leukemia Cells HL60, U937, and ML1 toward Macrophage/Monocyte-like Cells and Its Potent Synergistic Effect on the Differentiation of Human Leukemia Cells in Combination with Other Inducers," from the September 1, 1992 issue of *Cancer Research* (pp. 4634–4641). In Fig. 1, the chemical structure of bufalin was incorrect. A revised figure appears below.
