AMERICAN ASSOCIATION FOR CANCER RESEARCH
1995 EMPLOYMENT REGISTER FORMS AND INSTRUCTIONS

INTRODUCTION
The AACR's Employment Register is intended to attract young scientists to the Association, increase interest in AACR programs, and provide a valuable service to all cancer researchers, both senior and junior investigators.

The AACR had operated a limited Employment Register since 1983 with a fee structure that permitted only the listing of positions and candidates at the annual meeting. Beginning in 1988, AACR Staff scheduled interviews at the annual meeting, and brief advertisements describing available candidates and positions were published in the Proceedings of the American Association for Cancer Research and in two issues of Cancer Research. These services will be continued in 1995. Registration forms for the 1995 Employment Register can be found on the following pages. Fees have been set at the following levels:

Each candidate registration US$/C$:
- by an AACR member 10/15
- by a nonmember 25/36

Each position listing:
- by an AACR member from a nonprofit or governmental organization 75/107
- by a nonmember from a nonprofit or governmental organization 125/179
- by a commercial organization 275/393

(AUS$225/C$321 for companies participating in the 1995 AACR Exhibit Show)

INSTRUCTIONS FOR CANDIDATES
1. Supply all information requested on the attached candidate registration form.
2. Type a short description of your background and the position you are seeking in the 5" X 1½" box provided. Do not include your name; the AACR will assign identification numbers to all candidate listings. Please type carefully: this description will be reproduced as described in the section below entitled PUBLICATION OF LISTINGS.
3. Enclose the original form plus 1 copy.
4. Enclose appropriate payment:
   a. US$10/C$15 from AACR members
   b. US$25/C$36 from nonmembers
5. Checks should be issued in U.S. or Canadian dollars, drawn on a U.S. or Canadian bank, and made payable to AACR, Inc.
6. Forms should be submitted by December 5, 1994, to ensure publication of listings in the Proceedings. However, candidate registration forms will continue to be accepted in the Association Office until February 24, 1995. After that date forms should be submitted at the annual meeting.

INSTRUCTIONS FOR EMPLOYERS
1. Complete a separate position listing form for each position available and supply all information requested.
2. Type a short description of the position available in the 5" X 1½" box provided. Please type carefully; this description will be reproduced as described in the section below entitled PUBLICATION OF LISTINGS.
3. Enclose the original form plus 1 copy.
4. Enclose appropriate payment for each position listed:
   a. US$75/C$107 from AACR members in nonprofit or governmental organizations,
   b. US$125/C$179 from nonmembers in nonprofit or governmental organizations,
   c. US$275/C$393 from commercial firms (US$225/C$321 from firms participating in the 1995 AACR Exhibit Show).
5. Checks should be issued in U.S. dollars, drawn on a U.S. bank, and made payable to AACR, Inc.
6. Forms should be submitted by December 5, 1994, to ensure publication of listings in the Proceedings. However, position listing forms will continue to be accepted in the Association Office until February 24, 1995. After that date forms should be submitted at the annual meeting.
7. Mail all position listing forms to:
   Employment Register
   American Association for Cancer Research, Inc.
   Public Ledger Building, Suite 816
   150 S. Independence Mall West
   Philadelphia, PA 19106-3483

SCHEDULING OF INTERVIEWS
The AACR will set aside space at the annual meeting for interviews which will be scheduled at mutually agreeable times during the following hours: Sunday, Monday, and Tuesday, March 19-21, from 8:00 a.m. to 5:00 p.m., and Wednesday, March 22, from 9:00 a.m. to 1:00 p.m. Each candidate and employer will receive an identification number. Registrants who submit their forms and fees by February 24, 1995, will receive an acknowledgment card which contains their identification number.

PUBLICATION OF LISTINGS
Short advertisements describing each candidate and position listing will be published in Volume 36 (1995) of the Proceedings of the American Association for Cancer Research and in the July 1, September 1, and November 1, 1995, issues of Cancer Research. The attached forms contain space for copy for these advertisements. Please type carefully to ensure accurate reproduction of your advertisement. Your copy must not exceed the limits of the box because space for these advertisements is limited. Advertisements for available positions should contain the name and address of the person conducting the job search, and candidates will be able to communicate with that person directly. Candidate advertisements will be anonymous. The AACR will send the candidate's complete form via first-class mail to any registered employer who requests it. The employer must bear the cost of receiving candidate forms in any manner other than first-class mail.

As noted above, because of the early publication date of the Proceedings, forms must be received by December 5, 1994, to ensure publication in that document. However, all advertisements submitted before or during the meeting will be published in the three issues of Cancer Research. Registrants wishing to withdraw their advertisements must submit written requests to that effect to the Association Office by May 15, 1995, for the July 1 issue; July 14, 1995, for the September 1 issue; and September 15, 1995, for the November 1 issue. All participants in the Employment Register are urged to notify the Association immediately of any change in their status so that all listings will remain current.

FURTHER INFORMATION
Questions about the Employment Register may be directed to the Association Office at 215-440-9300.

(This form may be reproduced)
BENEFITS OF MEMBERSHIP

The American Association for Cancer Research (AARC), a scientific society of over 10,000 laboratory and clinical cancer researchers, was founded in 1907 to facilitate communication and dissemination of knowledge among scientists and others dedicated to the cancer problem; to foster research in cancer and related biomedical sciences; to encourage the presentation and discussion of new and important observations in the field; to foster public education, science education, and training; and to advance the understanding of cancer etiology, prevention, diagnosis, and treatment throughout the world.

Members of the AACR enjoy the following benefits:
1. the privilege of sponsoring a proffered paper (abstract) for consideration for presentation at the AARC annual meeting;
2. an advance copy of the Program and Proceedings of the American Association for Cancer Research pertaining to each annual meeting;
3. reduced registration rates at annual meetings;
4. priority notice of small, focussed meetings in the AARC’s exciting series of Special Conferences in Cancer Research;
5. reduced registration rates for Special Conferences;
6. opportunities for participation in AARC meetings in North America and abroad with other scientific societies around the world;
7. receipt of AARC Newsletters and other important announcements;
8. early notification of and reduced rates for participation in the AARC Employment Register;
9. an up-to-date Membership Directory of thousands of researchers in the cancer field;
10. the professional benefits of AARC’s public education activities concerning funding for cancer research and press coverage of the latest research findings;
11. participation in Summer Workshops that foster networking opportunities and science education for young investigators; and
12. many more ongoing benefits.

QUALIFICATIONS FOR MEMBERSHIP

Active membership in the AARC is open to investigators who live in the Americas. Individuals who have conducted two years of research resulting in peer-reviewed publications relevant to cancer, or who have made substantial contributions to cancer research in an administrative or educational capacity, are eligible. If a candidate has conducted research in an area of biomedical science related to cancer, he or she will qualify for membership. Evidence of patents relevant to cancer research may be submitted as qualifications for membership in lieu of peer-reviewed publications.

Corresponding membership is open to persons who are not residents of the Americas. The qualifications for corresponding membership are the same as those indicated above for active membership. Visiting scientists from outside the Americas who intend to return to their countries of origin by the anticipated time of election should apply for corresponding membership. All other visiting scientists should apply for active membership and transfer to corresponding status upon leaving the Americas.

Graduate and medical students, postdoctoral fellows, and physicians in training who do not yet meet the above qualifications for active or corresponding membership should apply for associate membership. Forms for associate membership are available from the AACR Office.

PROCEDURES FOR APPLICATION

There are three deadlines for the receipt of a membership application: January 1, May 1, and September 1 of each year. The Membership Committee will review all complete applications for active membership that have been received by these deadlines and will submit recommendations on each candidate to the Board of Directors which formally elects all members. The same procedure is followed by the Special Memberships Committee which receives applications for corresponding membership. Candidates will be notified according to the following schedule:

<table>
<thead>
<tr>
<th>Receipt of Application</th>
<th>Notification of Candidate</th>
</tr>
</thead>
<tbody>
<tr>
<td>in AACR Office</td>
<td>March</td>
</tr>
<tr>
<td>January 1</td>
<td>March</td>
</tr>
<tr>
<td>May 1</td>
<td>April</td>
</tr>
<tr>
<td>September 1</td>
<td>November</td>
</tr>
</tbody>
</table>

A complete application consists of the following material:
1. 6 copies of the form on the opposite side of this page, with all requested information provided.
2. 5 copies of the candidate’s most current curriculum vitae and bibliography.
3. 5 copies of a letter of recommendation from a nominator who is an active, corresponding, emeritus, or honorary member of the AACR (at least one copy must be a signed, original letter). This letter should describe the candidate’s achievements in laboratory research, clinical investigations, or epidemiological research, and it should affirm that this research adheres to accepted ethical scientific standards. –OR– The nominator may supply the responses requested at the bottom of the application form in the section entitled “STATEMENT OF SUPPORT” (at least one copy of the form must be the signed original).
4. 5 copies of a letter of recommendation as described in Item 3 above from a seconder who is an active, corresponding, emeritus, or honorary member of the AACR (at least one copy must be a signed, original letter). –OR– The seconder may supply the responses requested at the bottom of the application form in the section entitled “STATEMENT OF SUPPORT” (at least one copy of the form must be the signed original).
5. 5 reprints of each of two publications on which the candidate appears as author. As noted above, evidence of patents developed by the candidate may be submitted in lieu of one or both of the publications. If submitting patents, supply patent number and year awarded.

All material should be collated into five complete sets with the original application form as a covering document and sent to the address given below. Questions regarding procedures for membership application may also be directed to the following address:

American Association for Cancer Research
Public Ledger Building, Suite 816
150 S. Independence Mall West
Philadelphia, PA 19106-3483
Phone: 215/440-9300
FAX: 215-440-9313

RESPONSIBILITIES OF MEMBERSHIP

Candidates should be aware of the following responsibilities of membership in the AACR. Active members must pay annual dues. In 1995 annual dues for active members are $180, $95 of which is designated for AARC journal subscriptions. Newly elected members of the AARC who have already purchased subscriptions to Cancer Research, Clinical Cancer Research, Cell Growth & Differentiation, or Cancer Epidemiology, Biomarkers & Prevention at the higher, nonmember rates will receive reimbursement of the unused portion of those subscriptions once their first year’s membership dues are paid in full.

Corresponding members are required to pay dues ($80 in 1995) and may, if they wish, subscribe to Cancer Research, Clinical Cancer Research, Cell Growth & Differentiation, or Cancer Epidemiology, Biomarkers & Prevention at reduced member rates.

Applicants elected in March will be responsible for payment of that year’s dues; applicants elected in July and November will pay dues for the following year. Applicants elected in March and July will be eligible to sponsor an abstract for the next annual meeting. Every effort will be made to afford the same opportunity to applicants elected in November.

AMERICAN ASSOCIATION FOR CANCER RESEARCH

GUIDELINES FOR APPLICATION FOR ASSOCIATE MEMBERSHIP

QUALIFICATIONS FOR MEMBERSHIP

Associate membership is open to graduate students, medical students, postdoctoral fellows, and physicians in training who are following a course of study or who are working in a research program relevant to cancer. Scientists in training who already have a substantial record of publications may wish to apply for active or corresponding membership which confers full benefits of membership.

BENEFITS OF MEMBERSHIP

The American Association for Cancer Research (AACR), a scientific society consisting of laboratory and clinical cancer researchers, was founded in 1907 to facilitate communication and dissemination of knowledge among scientists and others dedicated to the cancer problem; to foster research in cancer and related biomedical sciences; to encourage presentation and discussion of new and important observations in the field; to foster public education, science education, and training; and to advance the understanding of cancer etiology, prevention, diagnosis, and treatment throughout the world. Associate members of the AACR enjoy the following benefits:

1. the privilege of sponsoring a paper for presentation at the AACR annual meeting provided that (a) the associate member is the presenter of the paper and (b) an active, corresponding, emeritus, or honorary member in good standing of the AACR also signs the abstract of the paper in support of the work. (In this instance, the member who cosigns the abstract does not lose his or her own sponsorship privilege);
2. an advance copy of the scientific Program and (if one has been purchased by the associate member) the Proceedings of the American Association for Cancer Research which contains abstracts of all papers being presented at each annual meeting;
3. the privilege of registering for the annual meeting at the low student rate. (This rate is otherwise available only to predoctoral students);
4. preferred access to the AACR Employment Register;
5. optional subscriptions to the Association's high-quality journals Cancer Research, Cell Growth & Differentiation, Cancer Epidemiology, Biomarkers & Prevention, and Clinical Cancer Research at reduced member rates;
6. priority notification of events in the AACR's series of special conferences on timely subjects in the field;
7. reduced registration rates at special conferences;
8. the receipt of AACR newsletters, meeting announcements, and an up-to-date membership directory; and
9. the facilitation of informal scientific exchange with leading researchers in the cancer field.

PROCEDURES FOR APPLICATION

Persons wishing to apply for associate membership must use the official application form. Each candidate for associate membership must be nominated by an active, corresponding, emeritus, or honorary member in good standing of the AACR. Three completed copies of the form should be submitted; at least one of these copies must carry the original signatures of both the candidate and the nominator. The application form may be submitted to the Association Office at any time.

After review of applications for associate membership, the Executive Director will notify candidates of their election or deferral within one month of the receipt of the application form. A check for one year's dues payment must accompany the application. Dues for 1994 are $35 for associate members residing in the Americas and $40 for residents of other countries. For 1995 these rates are $35 and $45, respectively. This fee will be refunded to any candidate deemed to be ineligible for associate membership. Checks should be in U.S. currency, made payable to AACR, Inc., and drawn on a U.S. bank.

Send the three copies of the application form and the appropriate dues payment to:

American Association for Cancer Research
Public Ledger Building, Suite 816
150 S. Independence Mall West
Philadelphia, PA 19106-3483
215/440-9300

RESPONSIBILITIES OF MEMBERSHIP

Associate members must pay annual dues in an amount to be determined by the AACR Board of Directors. Dues for 1994 have been set at $30 per year for residents of the Americas and $40 for residents of other countries. For 1995 these rates are $35 and $45, respectively. If an application is submitted by August 31, the accompanying dues payment will be credited to the current year. Candidates submitting applications between September 1 and December 31 may indicate whether they wish their dues payments credited to the current or forthcoming year. Candidates should be aware, however, that associate members may sponsor an abstract for the annual meeting only if their dues for the current year are paid. For example, an associate member submitting an abstract in October 1994 for the forthcoming annual meeting must have paid dues for 1994. Any newly elected associate members of the AACR who have already purchased subscriptions to Cancer Research, Cell Growth & Differentiation, Cancer Epidemiology, Biomarkers & Prevention, and Clinical Cancer Research at the higher, nonmember rate will receive a refund for the unused portion of that subscription upon receipt of their payment for a member's subscription.

Each Fall the AACR will send to current associate members an invoice for dues for the forthcoming year. Payment of this invoice must be accompanied by a statement signed by the associate member's current registrar, dean, or department head, verifying the member's current academic status. The Association's By-Laws state that dues are payable for each year in advance by January 1 of the year to which they should be applied. An individual may be an associate member for a maximum of five years. Each year in which an individual pays dues will count as one full year of associate membership. Thus, an associate member who pays dues for 1994 may retain associate membership until December 31, 1998. The Board of Directors may terminate the membership of an associate member whose dues are in arrears for two years.

**CANDIDATE NOMINATED BY:**

(Please type or print name of AACR active member in good standing.)

**SIGNATURES**

I hereby apply for associate membership in the American Association for Cancer Research. I have read the instructions on the reverse side of this form, and I understand the privileges and responsibilities of this class of membership. I certify that the statements on this application are true.

Signature of Candidate: ____________________________

Date: ____________

I recommend this candidate for associate membership in the American Association for Cancer Research. To the best of my knowledge, the candidate is qualified for this class of membership, and the statements on this application are true.

Signature of Nominator*: ____________________________

Date: ____________

Submit three copies of this form. At least one copy must contain the original signatures of the candidate and the nominator. Enclose a check in U.S. funds, made payable to AACR, Inc., and drawn on a U.S. bank for one year’s dues. For 1994 dues are $30 for associate members residing in the Americas and $40 for residents of other countries. For 1995, these rates will be $35 and $45, respectively.

Check one of the following boxes only if this form is being submitted between September 1 and December 31:

- The enclosed dues payment should be applied to the □ current □ forthcoming calendar year.

(Note: If dues are applied to the forthcoming year, membership will take effect on January 1, but the candidate will not be eligible to sponsor an abstract for presentation at the annual meeting in March or April of that year.) See Guidelines for Application on the reverse side of this form for further instructions.

*Nominator must be active, corresponding, emeritus, or honorary member of the AACR.

(This form may be reproduced.)

| Associate Member/Student Rate* (does not include a copy of AACR Proceedings) | 50/72 | ☐ American Express  
| AACR Proceedings* | 60/86 | ☐ Eurocard  
| Overseas Airmail Surcharge | 35/50 | ☐ Check No.  
| Program on Diskette (check format below) | 22/32 | Person/Institution Issuing Check  
| ☐ IBM 3½"  
| ☐ IBM 5½"  
| ☐ Apple 3½" | 15/22 | Card Number  
| TOTAL ENCLOSED OR CHARGED | 15/22 | Expiration Date  

*Students must enclose a statement, signed by the registrar, dean, or department head of their university or college on official letterhead, confirming their status. Postdoctoral fellows or physicians in training do not qualify for the student registration rate unless they are Associate Members of the AACR. An application for Associate Membership may accompany this form, but these should be submitted well before the February 3 deadline, as review of the Associate Membership application may delay registration.

+AACR members with paid-up subscriptions to an AACR journal and registrants who pay the nonmember fee receive the Proceedings automatically. If these members or nonmembers check this box and pay the fee, they will receive an additional copy of the Proceedings.

'Optional payment for registrants outside of the U.S. and Canada only. Registrants paying this surcharge will receive meeting publications via airmail–printed matter before the annual meeting. AACR members in good standing will receive copies of the Program and Proceedings prior to the meeting. Nonmembers and student registrants who meet the February 3 deadline will also receive the Program and (if they have purchased it) the Proceedings prior to the meeting. Nonmembers and students who do not meet the deadline must pick up publications at the meeting site.

**REFUND POLICY**

Refunds on registration fees will be granted on written request received in the AACR Office by March 15, 1995. Requests received after this date will not be honored. Receipts and badges (if they have been mailed) must be returned to the AACR Office with the refund request. A cancellation fee of US$25/C$35 will be deducted from all refunds to cover administrative costs.

(This form may be reproduced.)
MOLECULAR BIOLOGY OF CANCER: IMPLICATIONS FOR PREVENTION AND THERAPY

Third Joint Conference of the American Association for Cancer Research and the Japanese Cancer Association
Maui Marriott Hotel, Maui, HI
February 13-18, 1995

SCIENTIFIC PROGRAM COMMITTEE

American Association for Cancer Research
Public Ledger Building, Suite 816
150 South Independence Mall West
Philadelphia, PA 19106-3483 USA
Telephone: (215) 440-9300
FAX: (215) 440-9313

Office of the Japanese Cancer Association for the 3rd Joint Conference
c/o National Cancer Center
5-1-1 Tsukiji, Chuo-ku
Tokyo, 104 JAPAN
Telephone: (03)-3542-2511 ext. 4101
FAX: (03)-3248-0326

Keynote Addresses
TAKASHI SUGIMURA / Tokyo
LEE W. WATTENBERG / Minneapolis

Differentiation
*TOMOYUKI KITAGAWA / Tokyo
*MICHAEL B. SPORN / Bethesda
HOYOKU NISHINO / Tokyo
LOURNAE J. GUIDAS / New York
TOSHIO KUROKI / Tokyo
MARTIN LIPKIN / New York

Signal Transduction
*FRANK McCormick / Richmond
*TAKASHI TSURUO / Tokyo
YOSHIHIKO TAKAI / Osaka
MASABUMI SHIBUYA / Tokyo
L. BERNARD WEINSTEIN / New York
TADATSUGU TANIGUCHI / Osaka

Hormones and Receptors
*KUMAO TOYOSHIMA / Osaka
*BRIAN E. HENDERSON / La Jolla
MICHAEL N. GOULD / Madison
JOHN T. ISAACS / Baltimore
KEN YAMAGUCHI / Tokyo
TADAMITSU KISHIMOTO / Osaka

Multi-Step Carcinogenesis

Multi-Step Carcinogenesis and Genomic Instability II
*ALLAN H. CONNEY / Piscataway
*HIROSHI KOBAYASHI / Sapporo
NOBUYUKI ITO / Nagoya
MUTSUO SEKIGUCHI / Fukuoka
*THEA D. TLSTY / Chapel Hill
TOSHIIKAZU NAKAMURA / Osaka
SHIGEOKAZU NAGATA / Osaka
JAPAN

Special Lecture
CARLTON GAGDUSEK / Bethesda

Genetic Intervention
*YOSHIHIKO HASHIMOTO / Sendai
*JACK S. COHEN / Rockville
MITSUHIRO YANAGIDA / Kyoto
ERIC J. STANBRIDGE / Irvine
RICHARD C. MULLIGAN / Cambridge
KYOJI TANAKA / Osaka

Scientists are encouraged to submit abstracts of papers for consideration for poster sessions. Persons in the Americas and countries other than Japan may obtain additional information from the AACR Office.

* designates Session Chairperson
Guidelines for Submitting Disks to American Association for Cancer Research Publications

The word processing packages that we prefer are as follows:

- XyWrite III Plus (for the IBM)
- WordPerfect 4.2, 5.0, 5.1 (for the IBM)
- WordPerfect (for the Mac)
- Wordstar (for the IBM)
- Microsoft Word (for the IBM)
- Microsoft Word Macintosh (Versions 1–4) 400/800K
- Wang OIS (WPS)

Also acceptable:

- Apple II DOS 3.3
- Apple with Appleworks Software
- Apple III Plus DOS 3.3
- Apple Macintosh 400K Disc/
  MacWrite 2.2 (text)
- Apple Macintosh Plus 800K Disc/
  MacWrite 4.5 (text)
- CPT 8000
- DEC WPS-8
- DEC Decmate II
- DEC Decmate III
- Display Write 3
- IBM Displaywriter Word Processor 6580
- Lanier Business One Step
- Lanier No Problem
- Lanier Super No Problem
- MASS-11 PC
- Multimate
- PC Write
- PFS Professional Write
- Volkswriter 4.0

New releases of word processing software are not always immediately available for conversion. In addition, because of the file structures and internal coding, we cannot accept disks created on desktop publishing systems or those created on proprietary typesetting systems. We also cannot guarantee that all special characters can be translated. Tabular and mathematical material, such as equations, will not be captured from the disk but will be rekeyed.

To expedite work and for your own security, we do require that you submit a hard copy printout of the disk file. The tables and equations will be keyed from this hard copy. We also need to know the name of the file to be converted, the type of hardware (e.g., IBM PC) on which the files were created, the operating system (e.g., DOS 3.3), and the version of the software (e.g., WordPerfect 5.1) used to create the file.

PLEASE FILL OUT ALL INFORMATION ON REVERSE SIDE AND SUBMIT THIS FORM WITH YOUR DISK. DISKS WILL NOT BE PROCESSED WITHOUT THIS INFORMATION.
DISK SUBMISSION FORM

AACR journals are now using personal computers to copyedit manuscripts accepted for publication. When submitting a revised manuscript, authors are encouraged to submit an electronic disk of the paper along with the required four hard copy printouts. Disks will ultimately be returned to the authors.

See reverse for the word processing packages that can be accepted.

File preparation

Please be sure that the file you send is the most recent version of the manuscript and that it matches the most recently submitted printed copy. The file should contain all the parts of the manuscript in one file. Mathematical and tabular material, however, will be processed in the traditional manner and may be excluded from the disk file.

Note: AACR does not assume responsibility for errors in conversion of customized software, newly released software, or special characters.

Please label the outside of the disk with the journal name, the first author's name, a partial title of the manuscript, and the name of the computer file used to access the manuscript on disk. To process your disk efficiently, we need the following information. Please be sure to provide ALL the information.

Name used to access paper on disk: ______________________________
Name of computer used (e.g., IBM/PS2): ______________________________
Operating system and version (e.g., DOS 3.3): ______________________________
Word processing program and version (e.g., WordPerfect 5.0): ______________________________
   [See reverse for acceptable programs.]

Manuscript number: ______________________________
First author: ______________________________
Corresponding author (if different from first author): ______________________________
Telephone/FAX numbers: ______________________________

This form (both sides) may be reproduced.
Signal Transduction of Normal and Tumor Cells

Co-Sponsored by the National Cancer Institute of Canada
with Additional Support from the National Institute of Environmental Health Sciences

April 1-6, 1995
The Banff Centre, Banff, Alberta, Canada

CONFERENCE CHAIRPERSONS
Anthony J. Pawson / Toronto, Ontario, Canada
André Velllette / Montreal, Quebec, Canada
Grant McFadden / Edmonton, Alberta, Canada

PROGRAM COMMITTEE
Robert N. Eisenman / Seattle, WA
Alan Bernstein / Toronto, Ontario, Canada

SCIENTIFIC PROGRAM

Tyrosine Kinases
Michael Stern / New Haven, CT
Lewis C. Cantley / Boston, MA
William J. Muller / Hamilton, Ontario, Canada
Morag Park / Montreal, Quebec, Canada

Development
Mariano Barbacid / Princeton, NJ
Joseph Culotti / Toronto, Ontario, Canada
Michael Hoffman / Madison, WI
Ashley R. Dunn / Melbourne, Australia

Cell Cycle
Brenda J. Andrews / Toronto, Ontario, Canada
James Roberts / Pittsburgh, PA
Edward E. Harlow / Charlestown, MA
Jeffrey L. Wrana / New York, NY

Tumor Suppressors
Alan Bernstein / Toronto, Ontario, Canada
Paul Polakis / Richmond, CA
Additional Speakers to be Announced

Immune System/Hematopoiesis
André Velllette / Montreal, Ontario, Canada
Tak W. Mak / Toronto, Ontario, Canada
Chaim Roffman / Toronto, Ontario, Canada
James N. Ihle / Memphis, TN

DNA Viruses and the Immune System
Grant McFadden / Edmonton, Alberta, Canada
William S.M. Wold / St. Louis, MO
Thomas Schall / Palo Alto, CA
David C. Johnston / Hamilton, Ontario, Canada

Cytoplasmic Effectors
Anthony J. Pawson / Toronto, Ontario, Canada
Christopher J. Marshall / London, England
Sara A. Courtneidge / Heidelberg, Germany
Heidi E. Hamm / Chicago, IL

Transcription
Robert N. Eisenman / Seattle, WA
Steven Burley / New York, NY
Michael Z. Gilman / Cambridge, MA
James Woodgett / Toronto, Ontario, Canada

Applicants are encouraged to submit abstracts for poster presentation.

Information and Application Forms
American Association for Cancer Research
Public Ledger Building, Suite 816
150 South Independence Mall West
Philadelphia, PA 19106-3483
215-440-9300 215-440-9313 (FAX)

Application Deadline: January 20, 1995
MECHANISM OF ACTION OF RETINOIDS, VITAMIN D, AND STEROID HORMONES

An ACR Special Conference in Cancer Research

January 14-19, 1995
Whistler Resort and Conference Centre
Whistler, British Columbia, Canada

CONFERENCE CHAIRPERSONS
Michael B. Sporn / Bethesda, MD
Ronald M. Evans / La Jolla, CA
David J. Mangelsdorf / Dallas, TX

PROGRAM COMMITTEE
Vincent Giguere / Toronto, Ontario, Canada
John Wesley Pike / La Jolla, CA

SCIENTIFIC PROGRAM

Special Lectures
Pierre Chambon / Strasbourg, France
Ronald M. Evans / La Jolla, CA

Heterodimerization and Protein/Protein Interactions
Hendrik G. Stunnenberg / Heidelberg, Germany
Bjorn Vennstrom / Stockholm, Sweden
Magnus Pfahl / La Jolla, CA
Christopher K. Glass / San Diego, CA

Receptor Structure
Peter E. Wright / La Jolla, CA

Embryonic Development
Gregor Eichele / Houston, TX
Lee Ann Niswander / New York, NY
Carl Thummel / Salt Lake City, UT
Jeremy Brockes / London, England

Actions of Retinoids
Richard Heyman / La Jolla, CA
Arthur Levin / Nutley, NJ
Jochen Buck / New York, NY
Michael B. Sporn / Bethesda, MD
Lorraine J. Gudas / New York, NY

Analysis of Disease
Benjamin G. Neel / Boston, MA
Kenneth Korach / Research Triangle Park, NC
Hughes de Thé / Paris, France
Günther Schütz / Heidelberg, Germany

Orphan Receptors
David J. Mangelsdorf / Dallas, TX
Vincent Giguere / Toronto, Ontario, Canada
Keith Parker / Durham, NC
Jan-Åke Gustafsson / Huddinge, Sweden

Steroid Hormones
Bert W. O'Malley / Houston, TX
Donald P. McDonnell / Durham, NC
Benita S. Katzenellenbogen / Urbana, IL

Vitamin D
John Wesley Pike / La Jolla, CA
Leonard P. Friedman / New York, NY

Applicants are encouraged to submit abstracts for poster presentation.

Information and Application Forms
American Association for Cancer Research
Public Ledger Building, Suite 816
150 South Independence Mall West
Philadelphia, PA 19106-3483
215-440-9300 215-440-9313 (FAX)
NOVEMBER 29-DECEMBER 4, 1994
Translational Research in Cancer: New Opportunities for Progress
Chairperson: Carlo M. Croce, Philadelphia, PA
Grove Park Inn, Asheville, NC

DECEMBER 8-13, 1994
Basic and Clinical Aspects of Prostate Cancer
Chairperson: Donald S. Coffey, Baltimore, MD
Marriott's Rancho Las Palmas Resort, Rancho Mirage (Palm Springs), CA

JANUARY 14-19, 1995
Mechanism of Action of Retinoids, Vitamin D, and Steroid Hormones
Chairpersons: Michael B. Sporn, Bethesda, MD; Ronald M. Evans, San Diego, CA; David Mangelsdorff, Dallas, TX
Whistler Resort and Conference Centre, Whistler, B.C., Canada

FEBRUARY 13-18, 1995
Molecular Biology of Cancer: Implications for Prevention and Therapy
Joint Meeting with Japanese Cancer Association
Chairpersons: Lee W. Wattenberg, Minneapolis, MN; Masaaki Terada, Tokyo, Japan
Maui Marriott Hotel, Maui, HI

MARCH 19-22, 1995
86th Annual Meeting
Chairperson: Donald S. Coffey, Baltimore, MD
Metro Toronto Convention Centre, Toronto, Ontario, Canada

APRIL 1-6, 1995
Signal Transduction of Normal and Tumor Cells
Chairperson: Anthony J. Pawson, Toronto, Ontario, Canada
Banff Centre, Banff, Alberta, Canada

OCTOBER 14-18, 1995
Cytokines and Cytokine Receptors
Chairperson: Steven Gillis, Seattle, WA
The Sagamore, Bolton Landing (Lake George), NY

NOVEMBER 5-9, 1995
Cancer: The Interface Between Basic and Applied Research
Chairpersons: Bert Vogelstein, Baltimore, MD; Stephen H. Friend, Charlestown, MA; John D. Minna, Dallas, TX
Stouffer Harborplace Hotel, Baltimore, MD

NOVEMBER 17-21, 1995
Novel Strategies Against Resistant Cancers
Chairpersons: Victor Ling, Toronto, Ontario, Canada; Daniel D. Von Hoff, San Antonio, TX
Sanibel Harbour Resort & Spa, Ft. Myers, FL

DECEMBER 2-6, 1995
The Molecular Basis of Gene Transcription
Chairperson: Tom Curran, Nutley, NJ
Hotel Del Coronado, Coronado (San Diego), CA

FEBRUARY 19-25, 1996
Cancer Susceptibility Genes and Molecular Carcinogenesis
Chairpersons: Curtis C. Harris; Allan Balmain; Kenneth Olden
Keystone Resort, Keystone, CO

AACR members will receive brochures on the above special conferences as soon as they are available. Nonmembers should call or write:
American Association for Cancer Research
