AMERICAN ASSOCIATION FOR CANCER RESEARCH, INC.

SEVENTY-SIXTH ANNUAL MEETING

May 22-25, 1985

Houston Civic Center, Houston, Texas

ADVANCE REGISTRATION FORM

(please print or type)

NAME: _____
Last First Middle Initial

AFFILIATION: _____

ADDRESS: _____

City State or Province Postal Code

Country Telephone

IN THE EVENT OF ILLNESS OR INJURY PLEASE NOTIFY: _____

ADDRESS: _____

RELATIONSHIP: _____ TELEPHONE: _____

The Board of Directors wishes to gather certain data for planning future annual meetings. To assist us in this effort, please answer the following questions:

ON WHICH DAY(S) WILL YOU ATTEND THE 1985 MEETING?

Wednesday, May 22 Thursday, May 23 Friday, May 24 Saturday, May 25

WILL YOU ATTEND THE ASCO ANNUAL MEETING IN HOUSTON? Yes No

ARE YOU THE PRESENTER OF AN ABSTRACT SUBMITTED FOR THE 1985 AACR MEETING? Yes No

ARE YOU A POSTDOCTORAL FELLOW OR PHYSICIAN IN TRAINING? Yes No

REGISTRATION FEES

- Members \$40.00
- Nonmembers \$60.00
- Students \$20.00
- AACR *Proceedings* \$20.00
(nonmembers and students only)
- Total Enclosed \$_____

Check Issued By: _____ Check # _____

THE DEADLINE FOR ADVANCE REGISTRATION IS APRIL 8, 1985

Checks should be payable to AACR, Inc., and must accompany this form. All fees must be paid in U.S. currency. Purchase orders will not be accepted as payment.

Students must enclose a statement, signed by the registrar, dean, or department head of their university or college on official letterhead, confirming their status. Special student rates are available only to predoctoral students. Postdoctoral fellows or physicians in training do not qualify as students.

Mail all advance registration forms with applicable fees to the AACR Office, Temple University School of Medicine, West Building, Room 301, Broad and Tioga Streets, Philadelphia, PA 19140. Receipts will be sent to you in late April. AACR members will receive copies of the Program and *Proceedings* prior to the meeting. Nonmember and student advance registrants will also receive the Program before the meeting and (if they have purchased it) the *Proceedings*. Please note that nonmember and student registration fees do not include the *Proceedings*.

REFUND POLICY

Refunds will be granted on written request received in the AACR Office by June 3, 1985. Receipts must be returned to the AACR Office with the refund request. A cancellation fee of \$15.00 will be deducted from all refunds to cover administrative costs.

Apple — THERMOMETER

"THERMEX-16" — 16 channels thermometer interface to Apple II* computers.

FOR: PYROGENIC ACTIVITY, INFLAMMATION HYPOTHERMAL ONCOLOGY AND BLOOD CIRCULATION MAPPING

- Accuracy $\pm 1/10^{\circ}\text{C}$ at 22°C ambient
- Resolution $1/10^{\circ}\text{C}$
- Range 0°C to 50°C for biological applications (other ranges available on request)
- Displays, prints and stores results on the disc from all 16 channels
- Variety of rectal, intravenous, hypodermic and implantable probes available
- Optional program for plotting temp. curves versus time available

THE BLUNT TRUTH

**FOR CONTINUOUS DOSING, CONVENIENCE, AND RESULTS...
ALZET[®] OSMOTIC PUMPS DELIVER:**

CONTINUOUS DOSING

Alzet Osmotic Pumps offer the choice of 1-4 weeks of delivery, night and day, for continuous presence of even the shortest half-life agent.

CONVENIENCE

Implantation can be completed in less than one minute. It is easily mastered. ALZA Corporation loans free of charge a videocassette showing subcutaneous and other implantation procedures.

RESULTS

Multiday infusions insure that you measure the fully-developed actions of your test agent in the steady-state. Single-dose studies are useful, but the actions of many agents are far from fully developed by a single dose. The Alzet Osmotic Pumps have demonstrated their ability to deliver good results in nearly a thousand publications.

NEW APPLICATIONS

Alzet Osmotic Pumps are now being used for direct tissue microperfusion with labelled amino acids and other precursors to demonstrate *in vivo* biosynthesis. Another new application of

the pumps is localized drug delivery to the rat kidney via renal arterial infusion.

To place an order, call toll-free 800-227-9953. In California, Alaska & Hawaii call collect (415) 494-5067. For more information mail the coupon below.
