Announcement

European School of Oncology Award for Outstanding Research in Cancer Chemotherapy

The European School of Oncology announces an award of \$15,000 for research in cancer chemotherapy. The purpose of the award is to recognize outstanding achievement in cancer chemotherapy research and to provide financial assistance to candidates working in this field.

Eligibility

This Award is open to European Oncologists under the age of 35 years, working in the field of clinical or experimental cancer chemotherapy.

resumé of the Candidate's career. A full curriculum vitae shall be submitted and copies of recent, relevant publications.

Applications

Applications are invited for the ESO Oncology Award. Candidates should submit a statement of not more than 500 words, which includes a summary of background, work achieved and future proposals. The Candidate's submission should be supplemented by a letter of endorsement by the Institute Director, or Departmental Head, which includes a

Award Lecture

The selection of the Award winner will be made by the "ESO Award" Selection Committee at the end of March, 1986. Presentation of the Award will be made at the 14th International Conference to be held in Budapest in August, 1986. The winner will give a plenary lecture during the Conference.

This award is made possible by an educational grant presented by Lederle Laboratories.

Leave your mark on life.

You don't have to move mountains to make a difference on this earth. Or be a Michelangelo to leave your mark on it.

Leaving even the smallest legacy to the American Cancer Society can help change the future for generations to come. By including the American Cancer Society in your will, you'll be leaving a loving and

lasting impression on life.

You see, cancer is beatable. The survival rate for all cancers is already approaching 50% in the United States.

You'll be giving a gift of life to the future. And giving life is the greatest way of leaving your mark on it.

For more information, call your local ACS Unit or write to the American Cancer Society, 4 West 35th Street, New York, NY 10001.
