PREGNANT MOTHERS: PLEASE DON'T SMOKE!

If you are pregnant or planning a family, here are three good reasons to quit smoking now:

1. Smoking retards the growth of your baby in your womb.
2. Smoking increases the incidence of infant mortality.
3. Your family needs a healthy mother.

Please don't smoke for your baby's sake. And yours.

AMERICAN CANCER SOCIETY®

If you are paying by check, please supply

Person/Institution issuing check Check No. _____

If you are paying by MasterCard, VISA, or Eurocard, please supply

Credit Card Name, Account Number, and Expiration Date _____

Signature _____

THE DEADLINE FOR ADVANCE REGISTRATION IS APRIL 3, 1987

* Students must enclose a statement, signed by the registrar, dean, or department head of their university or college on official letterhead, confirming their status. Special student rates are available only to predoctoral students. Postdoctoral fellows or physicians in training do not qualify as students.

Mail all advance registration forms with applicable fees to the AACR Office, Temple University School of Medicine, West Building, Room 301, Broad and Tioga Streets, Philadelphia, PA 19140. Receipts will be sent to you in April. AACR members in good standing will receive copies of the Program and *Proceedings* prior to the meeting. Nonmember and student advance registrants residing in the U.S. and Canada will also receive the Program before the meeting and (if they have purchased it) the *Proceedings*. Please note that nonmember and student registration fees do not include the *Proceedings*.

REFUND POLICY

Refunds on registration fees will be granted on written request in the AACR Office by May 18, 1987. Receipts and badges (if they have been mailed) must be returned to the AACR Office with the refund request. A cancellation fee of \$15.00 will be deducted from all refunds to cover administrative costs.

WE HAVE ONLY GOOD THINGS TO SAY ABOUT CANCER OF THE COLON.

If detected early, the cure rate for colorectal cancer is very high.

It can be as high as 75%.

Because we now know how to detect it early. And we know how to fight it once we detect it.

There are three simple checkup guidelines for men and women without symptoms.

One, get a digital exam every year. This is recommended for everyone over 40.

Two, get a stool blood test every year if you are over 50.

Three, after two initial negative tests one year apart, get a procto exam every three to five years if you are over 50.

These guidelines are the best protection against colorectal cancer you can have.

If you're not over 50, please give this information to friends and loved ones who are.

In any case, please help spread the word.

Good news doesn't always travel fast.

AMERICAN CANCER SOCIETY

Get a checkup. Life is worth it.

Some People Commit Child Abuse Before Their Child Is Even Born.

According to the surgeon general, smoking by a pregnant woman may result in a child's premature birth, low birth weight and fetal injury. If that's not child abuse, then what is?
