EIGHTY-FOURTH ANNUAL MEETING OF THE AMERICAN ASSOCIATION FOR CANCER RESEARCH, INC.

The regular scientific sessions of the 84th Annual Meeting of the American Association for Cancer Research, Inc., will be held at the Orange County Convention Center, Orlando, FL, from Wednesday, May 19, 1993, through Saturday, May 22, 1993. The tentative schedule of events calls for the scientific sessions to begin at 8:00 a.m. on May 19 and to conclude on the afternoon of May 22 with several methods workshops. It is hoped that the scheduling of sessions through Saturday afternoon will enable registrants to take advantage of special airfares. Please note that the AACR meeting will follow that of the American Society of Clinical Oncology which is to be held May 16-18, 1993, in the Orange County Center.

AACR members and interested nonmembers are encouraged to register in advance of the meeting. During the Fall of 1992, forms for this purpose will be mailed to all AACR members as well as to nonmembers who have attended previous AACR meetings. Forms will also be published in the January 1, 1993, through the March 15, 1993, issues of *Cancer Research*. Additional forms may be obtained by writing to the office of the American Association for Cancer Research. On-site registration will be conducted in Orlando, beginning on the afternoon of Tuesday, May 18, 1993, and will continue throughout the meeting.

The deadline for submitting abstracts for presentation at the meeting was November 25, 1992. Abstracts submitted in conformity with regulations and accepted by the Program Committee for presentation at the annual meeting will be published in the 1993 *Proceedings of the American Association for Cancer Research*. Subscribers to the journal *Cancer Research* will be mailed a copy of the *Proceedings* in April. Additional copies will be available at the meeting.

Forms for the AACR Employment Register will be mailed to members in the Fall and will also appear in the December 1, December 15, and January 1 issues of *Cancer Research*. Registered employers and candidates will be able to place listings in the *Proceedings* and in two issues of *Cancer Research*. The Association will schedule appointments for employers and candidates during the annual meeting upon request. To ensure full participation in the Employment Register, forms should be submitted to the Association Office by January 25, 1993.

Further information may be obtained from the office of the American Association for Cancer Research, Public Ledger Building, 620 Chestnut Street, Suite 816, Philadelphia, PA 19106-3483. Telephone: 215-440-9300; FAX: 215-440-9313.

NEW FORMAT FOR ANNUAL MEETINGS OF THE AMERICAN ASSOCIATION FOR CANCER RESEARCH BEGINNING IN 1994

In May 1992 the Board of Directors of the American Association for Cancer Research voted to hold the AACR Annual Meeting separately from that of the American Society of Clinical Oncology (ASCO). The Board made this decision after careful consideration of the recommendations of the AACR's Task Force on Clinical Investigations. It is felt that an independent annual meeting is essential to the vitally important goal of the AACR to provide more programs of relevance to clinical researchers and to have the AACR Annual Meeting serve as the primary forum for cancer research ranging from the bench to the clinic. The intent of scheduling the meetings consecutively has always been to facilitate interaction and scientific communication among clinical and laboratory scientists. However, the extraordinary recent growth in both meetings hampers that interaction. For a variety of reasons, investigators are unable to attend 7 consecutive days of scientific sessions. As a result, fewer than 20% of the AACR registrants also register for ASCO, and many of those who do register for both meetings attend only 1 day

of the AACR meeting. The AACR feels that a separate Annual Meeting will enable more clinical researchers to attend the entire meeting.

ASCO will continue to meet in mid-May. Starting in 1994, the AACR Annual Meeting will take place in late March or in April over dates that do not conflict with the FASEB meeting or the Easter and Passover holidays. The AACR meeting will be scheduled over 4 days. Regular scientific sessions will begin on Sunday morning and conclude on Wednesday afternoon to enable registrants to take advantage of airfare discounts requiring Saturday stay-overs.

The 1994 Annual Meeting will take place April 10-13 at the Moscone Center in San Francisco, CA. Dates and sites of the Annual Meetings in 1995 through 1997 will be announced shortly.

AACR SPECIAL CONFERENCES IN CANCER RESEARCH

A number of meetings are now being organized in the AACR's new series of smaller scientific meetings. The topics, dates, locations, and program committees for these meetings are given below. When full details of each meeting are available, AACR members will be the first to receive complete brochures and application forms for participation in these important conferences. Nonmembers may receive this information by sending their names and addresses to Meetings Mailing List, American Association for Cancer Research, Public Ledger Building, 620 Chestnut Street, Suite 816, Philadelphia, PA 19106-3483.

CHEMICALS, MUTATIONS, AND CANCER
(Cosponsored by the National Cancer Institute of Canada)
December 7-12, 1992
Banff Springs Hotel, Banff, Alberta, Canada

Chairperson
Lawrence A. Loeb, Seattle, WA

Program Committee
G. Peter Beardsley, New Haven, CT
John M. Essigmann, Cambridge, MA
Robert H. Haynes, North York, Ontario, Canada
Malcolm C. Paterson, Edmonton, Alberta, Canada
Leona Sampson, Boston, MA

Session Topics
Keynote Address: Lawrence A. Loeb, Seattle, WA
Lesion Structure
The Biochemistry of Mutagenesis
DNA Damage and Mutations by Oxygen Free Radicals
Replication and Transcription
DNA Repair Diseases
Endogenous Mutagenesis
Genomic Instability
Molecular Homeostasis

**ONCOGENES AND ANTI-ONCOGENES
IN DIFFERENTIATION, DEVELOPMENT,
AND HUMAN CANCER**
February 1-6, 1993
Big Sky Resort, Big Sky, MT

Chairperson
Carlo M. Croce, Philadelphia, PA

Program Committee
Stuart A. Aaronson, Bethesda, MD
Mario R. Capecchi, Salt Lake City, UT
Douglas Hanahan, San Francisco, CA

Session Topics

Keynote Address: Raymond L. White, Salt Lake City, UT
 Gene Knockouts by Homologous Recombination
 Cancer and Signal Transduction
 Chromosomal Translocations and Cancer
 Cancer Suppressor Genes
 Expression of Activated Oncogenes in Transgenic Mice

MECHANISM OF ACTION OF RETINOIDS, VITAMIN D, AND STEROID HORMONES

March 15–20, 1993

Banff Centre, Banff, Alberta, Canada

Chairpersons

Michael B. Sporn, Bethesda, MD
 Ronald M. Evans, San Diego, CA
 David Mangelsdorf, San Diego, CA

Program Committee

Vincent Giguere, Toronto, Ontario, Canada
 Morley Hollenberg, Calgary, Alberta, Canada
 J. Wesley Pike, San Diego, CA

Session Topics

Keynote Address: Robert G. Roeder, New York, NY
 DNA Binding Heterodimers
 3-Dimensional Structure of Receptors and Binding Proteins
 Development and Differentiation
 Genetic Regulation by Retinoids and Steroids
 Vitamin D
 Studies of Disease and Therapy
 Steroids and Related Receptors
 Metabolism of Retinoids

GENETIC CONTROL OF CELL GROWTH

(Supported by a generous grant from the General Motors
 Cancer Research Foundation)

April 13–17, 1993

San Luis Hotel, Galveston, TX

Chairpersons

Leland H. Hartwell, Seattle, WA
 Peter K. Vogt, Los Angeles, CA
 George F. Vande Woude, Frederick, MD

Session Topics

Transcription
 Oncogenes
 Signals
 Cell Cycle
 Instability
 Development
 Transgenics

CELL DEATH AND CANCER

October 17–21, 1993

Chatham Bars Inn, Chatham (Cape Cod), MA

Chairperson

Alan R. Eastman, Hanover, NH

Program Committee

John T. Isaacs, Baltimore, MD
 Stanley J. Korsmeyer, St. Louis, MO
 Thomas R. Tritton, Burlington, VT
 Additional Members to be Appointed

TUMOR IMMUNOLOGY: BASIC AND CLINICAL ASPECTS

November 7–11, 1993

Grove Park Inn, Asheville, NC

Chairperson

Ralph A. Reisfeld, San Diego, CA

INTERACTIONS OF CANCER SUSCEPTIBILITY GENES AND ENVIRONMENTAL CARCINOGENESIS

(Joint Meeting with the International Agency
 for Research on Cancer)

November 9–13, 1993

(Please note revised date)

International Agency for Research on Cancer,
 Lyon, France

Chairpersons

Frederick P. Li, Boston, MA
 Ruggero Montesano, Lyon, France

SIGNAL TRANSDUCTION IN CANCER THERAPY

(Joint Meeting with the British Association
 for Cancer Research and the European Organisation
 for Research and Treatment of Cancer [PAM Group])

December 5–9, 1993

El San Juan Hotel, San Juan, PR

Chairperson

Garth Powis, Tucson, AZ

RISK ASSESSMENT IN ENVIRONMENTAL CARCINOGENESIS

January 17–22, 1994

(Please note revised date)

Whistler Resort and Conference Center,
 Whistler, British Columbia, Canada

Chairpersons

Philip C. Hanawalt, Stanford, CA
 James A. Swenberg, Chapel Hill, NC

MOLECULAR GENETICS OF PROGRESSION AND METASTASIS

January 31–February 5, 1994

Big Sky Resort, Big Sky, MT

Chairperson

Lance A. Liotta, Bethesda, MD

GENOMIC INSTABILITY AND CANCER

February 21–26, 1994

Banff Springs Hotel, Banff, Alberta, Canada

Chairpersons

Thea D. Tlsty, Chapel Hill, NC
 Lawrence A. Loeb, Seattle, WA

GROWTH FACTORS, DEVELOPMENT, AND CANCER

(Joint Meeting with the Friedrich Miescher-Institut)

March 5–11, 1994

Congress Center, Interlaken, Switzerland

Chairpersons

Harold L. Moses, Nashville, TN
 Bernd Groner, Basel, Switzerland

RECENT DEATHS

We regret to report the deaths of the following individuals: Dr. Christopher Carruthers of Orchard Park, NY; Dr. Henry A. Kubinski of the University of Wisconsin School of Medicine, Madison, WI; Dr. Grace J. Marshall of the Orthopedic Hospital, Los Angeles, CA; Dr. David T. Purtilo of the University of Nebraska Medical Center,

Omaha, NE; Dr. Roland K. Robins of the University of California, San Diego, La Jolla, CA; and Dr. Trevor Frank Slater of the University of West London, Middlesex, England. Drs. Kubinski, Marshall, Purtilo, and Robins were Active Members, Dr. Slater was a Corresponding Member, and Dr. Carruthers was an Emeritus Member of the American Association for Cancer Research.

CALENDAR OF EVENTS

Basal and Squamous Cell Head and Neck Skin Cancer—Partners in Excellence Series, February 6, 1993, M. D. Anderson Cancer Center, Houston, TX. Contact: Carol Harreld, Conference Services, Box 131, 1515 Holcombe Boulevard, Houston, TX 77030-4095. Telephone: (713) 792-2222; FAX: (713) 794-1724.

Second U.K. Association of Pharmaceutical Scientists Annual Conference, April 5–8, 1993, University of Exeter, United Kingdom. Contact: University of Wales, Welsh School of Pharmacy, Redwood Building, Cardiff CF1 3XF, UK. Telephone/FAX: 44-222-874180.

Premalignant Lesions in the Breast, June 18–19, 1993, Holiday Inn Hotel, Hasselt, Belgium. Abstract deadline: March 31, 1993. Contact: Dr. Jaak Ph. Janssens, European Cancer Prevention Organisation, Dr. L. Willems Instituut, Limburgs Universitair Centrum, Gebouw C, Universitaire Campus, B-3590 Diepenbeek, Belgium. Telephone: 32-11-226721; FAX: 32-11-241679.

Third International Congress on Oral Cancer, January 22–25, 1994, Madras, Tamil Nadu, India. Contact: Arati Walia, Organizing Secretary, D-1, Kalindi Colony, New Delhi 110065, India. Telephone: 91-011-684-9399; FAX: 91-011-684-8343.
