

## Correction: Breast Tumor Kinase Phosphorylates p190RhoGAP to Regulate Rho and Ras and Promote Breast Carcinoma Growth, Migration, and Invasion

In this article (Cancer Res 2008;68:7779–87), which was published in the October 1, 2008, issue of *Cancer Research* (1), there is an error in Supplementary Fig. S1B. The same image was inadvertently duplicated in the plating time 1 hour/siRNA (–) panel and plating time 5 hours/siRNA Brk-2 panel. The corrected version of Supplementary Fig. S1B is provided below, and the figure has been replaced online. The authors regret this error.

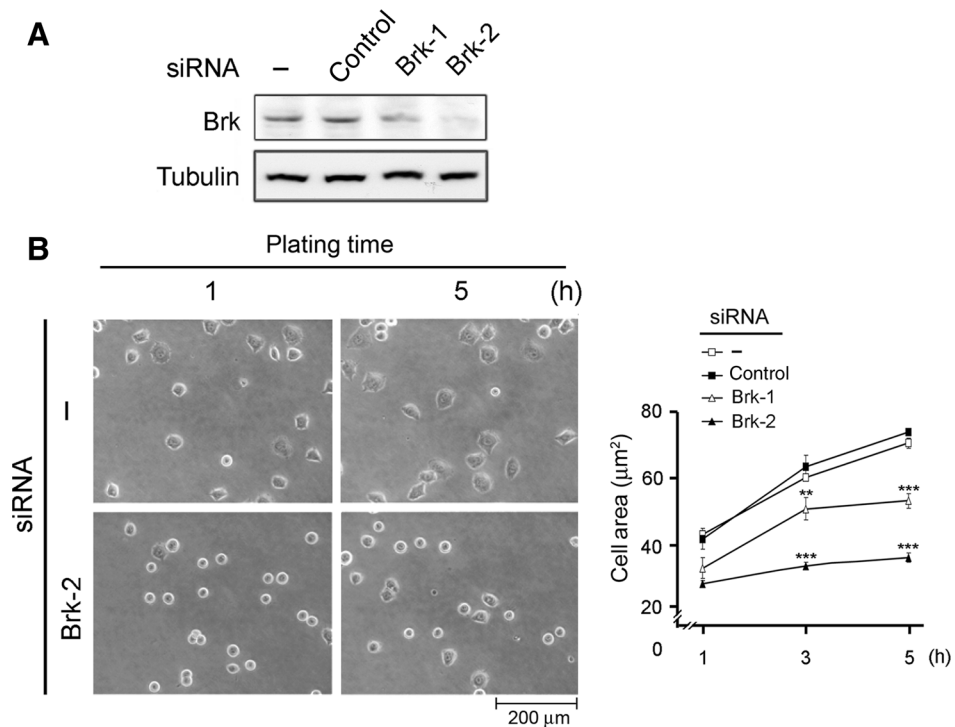

Figure S1.
